

## INSPIRE LEADERSHIP PROGRAM 2024-2025

*Hello! Welcome to the Inspired to Influence Leadership Program!  
My name is Kaitlyn. I am the Inspired to Influence Program Leader  
and I am so excited you are here!*

### 3 MAIN GOALS OF THE INSPIRED TO INFLUENCE PROGRAM:

1. To build your sense of **BELONGING**  
- You will grow to better understand that God has a specific place where you fit in his plans!
2. To strengthen your **IDENTITY**  
- You will grow your leadership potential by understanding your unique life mission, vision and values, interests and giftedness!
3. To inspire you to **CONTRIBUTE** to positive change in your world!

*You will have opportunities to make decisions and take actions to bring about positive change in your community! Are you ready to grow your leadership and skills to pursue God's plan for your life? Do you want to use your voice to influence your world? Do you want mentorship in your life? Would you like to develop life skills through real world learning opportunities? If yes, this program is for you!*

### THE HEART OF THE PROGRAM:

To strengthen your sense of identity as you experience a fun and accepting community and individualized mentorship that will empower you to bring positive change to your world.

### WHO IS IT FOR?

Whether you consider yourself a leader or not, we were all created to influence our world, uniquely, for Jesus. This program is for you if you'd like to grow more into the person you were created to be, and better understand your unique purpose on the planet.

## **MENTORSHIP:**

You will be guided through the entire program by a mentor who is committed to learn about you, pray for you, and walk with you as you grow! Students in Junior High (Grades 7-9) will be in mentorship groups and students registered in Senior High (Grades 10-12) will be eligible to get a high school credit equivalent to Transitions 30. They will have their own mentor throughout the program.

## **REAL LIFE LEARNING:**

You will help to plan and shape the Inspire Conference March 2024, and the Inspire Community Days in June 2024. You will also help by offering your leadership to several Inspire Programs throughout the year!

## **HOW DOES IT WORK?**

### **1. Inspired To Influence (I2I) Leadership Empowerment Sessions: Live in Saskatoon or online (Required for SR, optional for JR)**

These will take place bi-weekly for 2 hours (Wed 4:30-6:30pm). Students will be guided through the Inspired to Influence Curriculum with lots of hands on learning.

### **2. I2I Leadership Days In Saskatoon (For SR and JR youth)**

There will be 5 Leadership Days in Saskatoon where mentors and youth will participate in leadership building learning. This will include interviews with local leaders, conference preparation and leadership development games and activities. **To be accepted for the program, students need to have an adult committed to drive them to the Leadership Days in Saskatoon.**

### **3. I2I Leadership Retreats (For SR and JR youth)**

There is a kick off retreat in September and a graduation retreat in May. Both retreats will happen at Rosthern Youth Farm Camp.

### **4. I2I Volunteer Opportunities**

Christmas at Ahtahkakoop December 14<sup>th</sup> **(JR and SR)**

Inspire Conference (Saskatoon) March 14-15th **(JR and SR)**

Inspire Learning Tour **(SR Only)**

Inspire Community Celebration Day June 21<sup>st</sup> at Ahtahkakoop Cree Nation **(JR and SR)**

## **ASSESSMENT: (SR only)**

Every student must have completed a total of 100 hours (Empowerment Sessions & Leadership Days In Saskatoon). Every student must have completed the workbook assignment & journal entry assigned at each session. If students miss sessions for legitimate reasons they can make up for these hours by volunteering at one of the “volunteer opportunities” listed in the schedule or another volunteer opportunity approved by Program Leader, Kaitlyn Cey.

## **BEHAVIOR:**

Students are expected to follow the guide-laws created together at the first retreat or risk being removed from the program. There will be a zero-bullying policy in the Inspired to Influence Leadership Program. Students not following guide-laws may be given two warnings before being removed from the activity, and possibly the program depending on the severity of the offense. There will be absolutely no drugs or alcohol use at any of the Inspired to Influence Leadership Sessions/activities

## **PARTICIPATION:**

Student participation is a requirement for successful completion of the program
